Frito Pie and Cupcakes Provided!

Please come for an exciting live streamed Passion event. This will be a night of worship with music led by Charlie Hall and Kristian Stanfill, and speaking by Louie Giglio.

Passion is a college ministry that desires for students to actively pursue their faith and have a passionate relationship with Christ.

We had a great time at Passion2011 in Ft. Worth, this year and we believe this will be a great night of worship together.

We hope to see you there!
