trip

the trip

imagine^o two glorious days* and three fabulous nights* in the heart of New Mexico; slipping through fresh mountain powder* by day and enjoying fine dining, thought provoking bible study, fellowship, games* and recreation* by night! plus your whole family can come too!!! all this can be yours on our annual middle school ski trip! we will stay in the superb FBC lodge* in Glorieta and ski (or snowboard) two days in Santa Fe. this trip is always one of the highlights of the spring for our middles school students and this year we would like to encourage the whole family* to come!

*days not guaranteed to be glorious

*nights not guaranteed to be fabulous

*fresh powder is out of our control

*games= ping pong table

*recreation = ping pong table

*the lodge really is superb, especially if you compare it to the Santa Fe YMCA

*families are welcome but not required for a student to go.

*high school students are not allowed unless special arrangements are made due to the hs trip at that same time

friends are welcome!!!
